1. to elect the Directors as nominated by Management;
2. to appoint Davidson & Company LLP, Chartered Accountants, as auditors of the Corporation for the ensuing year and authorizing the Directors to fix their remuneration;
3. to ratify the 2015 Stock Option Plan;
4. to consider and, if deemed advisable, to pass, with or without variation, a special resolution authorizing and approving an amendment to the Corporation’s Articles to effect the change of the Corporation’s name from “CKR Carbon Corporation” to “Gratomic Inc.”, or such other name as the board of directors of the Corporation in its discretion may resolve and as may be acceptable to applicable regulatory authorities; and
5. to transact such further and other business as may properly come before the said Meeting or any adjournment of adjournments thereof.

A copy of the Management Information Circular (the “**Circular**”), the audited financial statements of the Corporation for the years ended December 31, 2016 and 2015 (the “**Annual Financial Statements**”) and the Corporation’s management discussion and analysis for the year ended December 31, 2016 (the “**Annual MD&A**”) accompany this Notice of Meeting.

Shareholders entitled to vote who do not expect to be present at the Meeting are urged to date, sign and return the form of Proxy or voting instruction form delivered to them with the Notice-and-Access Notification (defined below).

NOTICE-AND-ACCESS

Notice is also hereby given that the Corporation has decided to use the notice-and-access method of delivery of meeting materials for the 2017 Annual General and Special Meeting of Shareholders. The notice-and-access method of delivery of meeting materials allows the Corporation to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, shareholders still receive a proxy or voting instruction form (as applicable) enabling them to vote at the Meeting. However, instead of a paper copy of the Circular, the Annual Financial Statements and related Annual MD&A and other meeting materials (collectively the “**Meeting Materials**”), shareholders receive a notification (the “**Notice-and-Access Notification**”) with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing materials to shareholders. **Shareholders are reminded to view the Meeting Materials prior to voting.**

**INFORMATION CIRCULAR
MANAGEMENT SOLICITATION**

SOLICITATION OF PROXIES

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by and on behalf of the management (the “Management”) of CKR Carbon Corporation (the “Corporation”) for use at the Annual General and Special Meeting of Shareholders (the “Meeting”) of the Corporation to be held at the offices of Gardiner Roberts LLP, Bay-Adelaide Centre, East Tower, 22 Adelaide Street West, Suite 3600, Toronto, Ontario, M5H 4E3, in the Island Boardroom, at the hour of 12:00 noon (Toronto time), on Thursday, the 14th day of December, 2017, for the purposes set out in the accompanying Notice of Meeting. The cost of solicitation will be borne by the Corporation.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally by the Directors and/or officers of the Corporation at nominal cost. Arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares (“**Common Shares**”) held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

NOTICE-AND-ACCESS

The Corporation has elected to use the “notice-and-access” process under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations*, for distribution of this Circular and other meeting materials to registered Shareholders of the Corporation and non-registered Shareholders of the Corporation as set out in the “Advice to Non-Registered Shareholders” section below.

Notice-and-access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to Shareholders. The Corporation anticipates that utilizing the notice-and-access process will substantially reduce both postage and printing costs.

The Corporation has posted the Circular, the Corporation’s audited financial statements for the years ended December 31, 2016 and 2015 (the “**Annual Financial Statements**”) and the Corporation’s management discussion and analysis for the year ended December 31, 2016 (the “**Annual MD&A**”) on the website, www.ckr-carbon.com.

Although the Circular, Annual Financial Statements and the Annual MD&A (collectively, the “**Meeting Materials**”) will be posted electronically online, as noted above, the registered and non-registered Shareholders (subject to the provisions set out below under the heading “Advice to Non-Registered Shareholders”) (collectively the “**Notice-and-Access Shareholders**”) will receive a “notice package” (the “**Notice-and-Access Notification**”), by prepaid mail, which includes the information prescribed by NI 54-101, and a proxy form or voting instruction form from their respective intermediaries. Notice-and-Access Shareholders should follow the instructions for completion and delivery contained in the proxy or voting instruction form. Notice-and-Access Shareholders are reminded to review the Circular before voting.

Notice-and-Access Shareholders will not receive a paper copy of the Meeting Materials unless they contact TSX Trust Company (“**TSX Trust**”) in which case TSX Trust will mail the requested materials within three business days of any request provided the request is made prior to the Meeting. Notice-and-Access Shareholders with questions about notice-and-access may contact TSX Trust toll free at 1-866-393-4891. **Requests for paper copies of the Meeting Materials must be received at least six (6) business days in advance of the proxy deposit date and time set out below, being 12:00 noon on, Monday, December 4, 2017, in order to receive the Meeting Materials in advance of the proxy deposit date and Meeting.**

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the form of proxy or voting instruction form are officers or directors of the Corporation (the “**Management Designees**”). **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO** by inserting such other person’s name in the blank space provided in the form of proxy or voting instruction form and depositing the completed proxy with the Transfer Agent of the Corporation, **TSX Trust Company, 100 Adelaide Street West, Suite 401, Toronto, Ontario, M5H 4H1**. A proxy can be executed by the Shareholder or his attorney duly authorized in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized.

In addition to any other manner permitted by law, the proxy may be revoked before it is exercised by instrument in writing executed and delivered in the same manner as the proxy at any time up to and including the second last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used or delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting and upon either such occurrence, the proxy is revoked.

Please note that Shareholders who receive their Notice-and-Access Notification from Broadridge Investor Communication Solutions, Canada (“**Broadridge**”) or an Intermediary (as defined in the “Advice to Non-Registered Shareholders” section below) must return the proxy forms, once voted, to Broadridge or their Intermediary, as applicable, for the proxy to be dealt with.

DEPOSIT OF PROXY

By resolution of the Board of Directors of the Corporation (the “**Board**”) duly passed, **ALL PROXIES TO BE USED AT THE MEETING MUST BE DEPOSITED BY 12 NOON (TORONTO TIME) ON TUESDAY, DECEMBER 12, 2017, BEING NOT LESS THAN 48 HOURS, EXCLUDING SATURDAYS, SUNDAYS AND STATUTORY HOLIDAYS, PRECEDING THE DATE OF THE MEETING, OR ANY ADJOURNMENT THEREOF, WITH THE TRANSFER AGENT OF THE CORPORATION, TSX TRUST COMPANY**, provided that a proxy may be delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time for voting to revoke a proxy previously delivered in accordance with the foregoing.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares owned by a person are registered either (a) in the name of an intermediary (an “**Intermediary**”) that the non-registered holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant (a “**Non-Registered Holder**”).

The Corporation has decided to use Notice-and-Access in accordance with the requirements of NI 54-101 to deliver the Meeting Materials to Shareholders by posting the Meeting Materials on its website www.ckr-carbon.com. The Meeting Materials will be available on the Corporation’s website on or before November 10, 2017, and will remain on the website for a full year thereafter. The Meeting Materials will also be available on the Corporation’s profile

on SEDAR at www.sedar.com. The Corporation will only be mailing the Notice-and-Access Notification to Non-Registered Holders as set out below.

Non-Registered Holders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (“**Objecting Beneficial Owners**” or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries via their transfer agent. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly to such NOBOs.

If you are a Non-Objecting Beneficial Owner and the Corporation or its agent has sent the Notice-and-Access Notification directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you, and (ii) executing your proper voting instructions as specified in the request for voting instructions.

The Corporation’s decision to deliver proxy-related materials directly to its NOBOs will result in all NOBOs receiving a Voting Instruction Form (“**VIF**”) from Broadridge. Please complete and return the VIF to Broadridge in the envelope provided or by facsimile. In addition, instructions in respect of the procedure for internet voting can be found in the VIF. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs received by Broadridge. For purposes of the Meeting, NOBOs who deliver VIFs in accordance with the instructions on the VIF will be otherwise treated the same as registered Shareholders.

Non-Registered Shareholders who are NOBOs may make their request for paper copies of the Meeting Materials without charge by calling Broadridge Investor Communication Solutions, Canada’s toll free number at 1-877-907-7643 on or before the day of the Meeting, or any adjournment thereof, or thereafter contact the Corporation at 416 561-4095 or by email at abrand@ckr-carbon.com.

Requests for paper copies of the Meeting Materials must be received at least six (6) business days in advance of the proxy deposit date and time set out above, being 12 noon (Toronto Time) on Monday, December 4, 2017, in order to receive the Meeting Materials in advance of the proxy deposit date and Meeting.

OBOs may expect to receive their materials related to the Meeting from Broadridge or other Intermediaries. If a reporting issuer does not intend to pay for an Intermediary to deliver materials to OBOs, OBOs will not receive the materials unless their Intermediary assumes the cost of delivery. The Corporation does not intend to pay for Intermediaries to deliver the proxy-related materials to OBOs.

Intermediaries are required to forward the Notice-and-Access Notification to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies such as Broadridge to forward the Notice-and-Access Notification to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Notice-and-Access Notification will either:

- a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number and class of securities beneficially owned by the Non-Registered Holder but which is not otherwise completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to vote by proxy should otherwise properly complete the form of proxy and deliver it as specified; or

- b) be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**Voting Instruction Form**”) which the Intermediary must follow. Typically the Non-Registered Holder will also be given a page of instructions which contains a removable label containing a bar code and other information. In order for the form of proxy to validly constitute a Voting Instruction Form, the Non-Registered Holder must remove the label from the instructions and affix it to the Voting Instruction Form, properly complete and sign the Voting Instruction Form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In any case, the purpose of this procedure is to permit Non-Registered Holders including NOBOs to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives a form of proxy, VIF or Voting Instruction Form wish to vote at the Meeting in person, the Non-Registered Holder should strike out the persons named in such form of proxy and insert the Non-Registered Holder’s name in the blank space provided. Non-Registered Holders should carefully follow the instructions on the VIF or the instructions received from their Intermediary including those regarding when and where the form of proxy, VIF or Voting Instruction Form is to be delivered.

All references to Shareholders in this Circular, the accompanying Notice of Meeting and any proxy or voting instruction form sent to Shareholders with the Notice-and-Access Notification are to Shareholders of record unless specifically stated otherwise.

EXERCISE OF DISCRETION

The persons named in the form of proxy or voting instruction form for use at the Meeting will vote the Common Shares in respect of which they are appointed in accordance with the directions of the shareholders appointing them. **IN THE ABSENCE OF SUCH DIRECTIONS, SUCH COMMON SHARES SHALL BE VOTED “FOR”:**

- (a) election of the Directors as nominated by Management;
- (b) appointment of Davidson & Company LLP, Chartered Professional Accountants, as auditors of the Corporation for the ensuing year and authorizing the Directors to fix their remuneration;
- (c) ratification of the 2015 Stock Option Plan;
- (d) to consider and, if deemed advisable, to pass, with or without variation, a special resolution authorizing and approving an amendment to the Corporation’s Articles to effect the change of the Corporation’s name from “CKR Carbon Corporation” to “Gratomic Inc.”, or such other name as the board of directors of the Corporation in its discretion may resolve and as may be acceptable to applicable regulatory authorities; and
- (e) to transact such further and other business as may properly come before the said Meeting or any adjournment of adjournments thereof.

ALL AS MORE PARTICULARLY DESCRIBED IN THIS CIRCULAR

The form of proxy or voting instruction form confer discretionary authority upon the persons named therein with respect to any amendment, variation or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. **HOWEVER, IF ANY SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH ARE NOT NOW KNOWN TO THE MANAGEMENT DESIGNEES SHOULD PROPERLY COME BEFORE THE MEETING, THE COMMON SHARES REPRESENTED BY THE PROXIES HEREBY SOLICITED WILL BE VOTED THEREON IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSON OR PERSONS VOTING SUCH PROXIES.**

EFFECTIVE DATE

The effective date of this Circular is October 24, 2017.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the Directors or executive officers of the Corporation, no proposed nominee for election as a Director of the Corporation, none of the persons who have been Directors or executive officers of the Corporation since the commencement of the Corporation’s last completed financial year, and no associate or affiliate of any of the foregoing has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of Directors and the appointment of officers except as disclosed herein.

EXECUTIVE COMPENSATION

The information contained below is provided as required under Form 51-102F6V for Venture Issuers (the “**Form**”), as such term is defined in National Instrument 51-102.

In this section “**Named Executive Officer**” or “**NEO**” means the CEO, the CFO and each of the three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers at the end of the most recently completed fiscal year and whose total compensation exceeds \$150,000 as well as any additional individuals for whom disclosure would have been provided except that the individual was not serving as an officer of the Corporation at the end of the most recently completed financial year end.

Compensation Discussion and Analysis

The Board as a whole has the responsibility of determining the compensation for the Chief Executive Officer (the “**CEO**”) and the Chief Financial Officer (the “**CFO**”) and of determining compensation for directors and senior management.

The Corporation’s compensation objectives include the following:

- to assist the Corporation in attracting and retaining highly-qualified individuals;
- to create among directors, officers, consultants and employees a sense of ownership in the Corporation and to align their interests with those of the shareholders; and
- to ensure competitive compensation that is also financially affordable for the Corporation.

Compensation

The compensation program is designed to provide competitive levels of compensation. The Corporation recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Corporation's NEOs may receive compensation that is comprised of three components:

- Salary, wages or contractor payments;
- Stock option grants; and/or
- Bonuses.

The objective and reason for this system of compensation is to allow the Corporation to remain competitive compared to its peers in attracting experienced personnel. The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Compensation Committee relies on the general experience of its members in setting base salary amounts.

Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Corporation, although the level of reward provided by a particular stock option grant is dependent upon the volatile stock market.

Any bonuses paid to the NEOs are allocated on an individual basis related to the review by the Board of the work planned during the year and the work achieved during the year, including work related to mineral exploration, administration, financing, shareholder relations and overall performance. The bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments.

Compensation of Directors

For a description of the compensation paid to the company's Named Executive Officer(s) who also act as directors as at the end of the financial year ended December 31, 2016, see "Summary Compensation Table" below.

Other than as disclosed elsewhere in this Circular, no director of the Corporation who is not a Named Executive Officer has received, during the most recently completed financial year, compensation pursuant to:

- (a) any standard arrangement for the compensation of directors for their services in their capacity as directors, including any additional amounts payable for committee participation or special assignments;
- (b) any other arrangement, in addition to, or in lieu of, any standard arrangement, for the compensation of directors in their capacity as directors except for the granting of stock options; or
- (c) any arrangement for the compensation of directors for services as consultants or experts.

The Corporation may grant incentive stock options to directors of the Corporation from time to time pursuant to the stock option plan of the Corporation and in accordance with the policies of the TSX-V.

No insider of the Corporation, no proposed nominee for election as a Director of the Corporation, and no associate or affiliate of any of the foregoing, has any material interest, direct or indirect, in any transaction since the commencement of the Corporation's last financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Corporation or any of its subsidiaries, other than disclosed under the headings "Executive Compensation" and "Stock Option Plan" and as disclosed below.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS

National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") requires the Corporation, as a Venture Issuer, to disclose annually in its information circular certain information relating to the Corporation's audit committee and its relationship with the Corporation's independent auditors.

The Audit Committee's Charter

The Corporation's Audit Committee is governed by its Audit Committee Charter, a copy of which is annexed hereto as **Schedule "A"**.

Composition of the Audit Committee

The Corporation's Audit Committee was comprised of three (3) Directors, Réjean Gosselin, Bernard R. Stannus and Luisa Moreno (Chair). Réjean Gosselin resigned as a director and a member of the Audit Committee on September 6, 2017 and was subsequently replaced by Arno Brand. As defined in NI 52-110, Ms. Moreno and Mr. Stannus are independent. Also as defined in NI 52-110, all members of the Audit Committee are financially literate.

Audit Committee Oversight

Since the commencement of the Corporation's most recently completed fiscal year, the Corporation's Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Relevant Education and Experience

The following is a summary of the relevant education and experience of each of the members or proposed members of the Corporation's Audit Committee:

Dr. Moreno (Chair)

Dr. Moreno is an Advisor and Consultant to governments, investment firms and companies in the strategic resource sector. She was a senior Analyst, at Toronto based-investment banks and at a global investment research firm for over 10 years. Dr. Moreno acts as an advisor and board member with various publicly listed mining companies.

Mr. Stannus

Mr. Stannus has been involved with the Canadian mining industry since 1968, is a mining engineer with many years' experience in mining exploration, development, construction and operations. Additionally Mr. Stannus has held several board, officer and committee appointments with various publicly listed mining companies.

Mr. Brand

Mr. Brand is a Namibian entrepreneur with 11 years of experience in major development projects throughout Africa. He has in the past worked with the Boswell group of Companies (Boswell) where he served under the role of Corporate development and metals and energy procurement. Up until 2017 through Boswell, Mr Brand worked with the Niger government Parastatal company Sopamin, facilitating Uranium trade and swap agreements with Asian and North American utilities. He has further under his involvement with Boswell facilitated the sale and financing of African mining projects including Equitorial Oil and Gas, Menzie Battery Metals Corp which has been vended into Giyani Metals Corporation and Micron Investments which was acquired by CKR Carbon.

Reliance on Certain Exemptions

Since the effective date of NI 52-110, the Corporation has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditors, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditors in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval Policies and Procedures

The Committee has not adopted specific policies and procedures for the engagement of non-audit services. The Committee will review the engagement of non-audit services as required.

External Auditors Service Fees (By Category)

The fees paid to the Corporation's external auditors in each of the last three fiscal years for audit fees are as follows:

<u>Financial Year Ending</u>	<u>Audit Fees</u>	<u>Audit Related Fees⁽¹⁾</u>	<u>Tax Fees⁽²⁾</u>	<u>All Other Fees⁽³⁾</u>
2016	\$46,920	Nil	Nil	Nil
2015	\$31,500	Nil	Nil	Nil

Notes:

- (1) Fees charged for assurance and related services reasonably related to the performance of an audit, and not included under Audit Fees.
- (2) Fees charged for tax compliance, tax advice and tax planning services.
- (3) Fees for services other than disclosed in any other column.

Exemption

The Corporation is relying upon the exemption in section 6.1 of NI 52-110 for venture issuers which allows for an exemption from Parts 3 (Composition of the Audit Committee) and 5 (Reporting Obligations) of NI 52-110 and allows for the short form of disclosure of audit committee procedures set out in Form 52-110F2.

CORPORATE GOVERNANCE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose the corporate governance practices that they have adopted according to guidance provided pursuant to National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”).

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the “**CSA**”) have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers. In addition, the CSA have implemented NI 58-101, which prescribes certain disclosure by reporting issuers of its corporate governance practices. This section sets out the Corporation’s approach to corporate governance and addresses the Corporation’s compliance with NI 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A “**material relationship**” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The current independent members of the Board of Directors of the Corporation are Bernard R. Stannus, Luisa Moreno and Ian Flint. The current non-independent directors are Sheldon Inwentash, the Executive Chairman and Co-Chief Executive Officer of the Corporation and Arno Brand, Co- Chief Executive Officer of the Corporation.

The Board facilitates its independent supervision over management by choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are, however, able to meet at any time without any of the non-independent directors being present. Further supervision is performed through the Audit Committee who may meet with the Corporation’s auditors without management being in attendance.

Directorships — No Director of the Corporation or nominee for director of the Corporation is presently a Director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction except for:

Director	Name of Reporting Issuer	Market	Positions with Issuer
Luisa Moreno	Tantalex Resources Corporation	CSE	Director
	Manganese X Energy Corp.	TSXV	Director
	Quinto Resources Inc.	TSXV	Director
Sheldon Inwentash	Northern Sphere Mining Corp.	CSE	Executive Chairman of the Board of Directors
	ThreeD Capital Inc.	CSE	Chairman and Chief Executive Officer

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Corporation's properties and on director responsibilities.

Board meetings may also include presentations by the Corporation's management and employees to give the directors additional insight into the Corporation's business. In addition, management of the Corporation makes itself available to discussions with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Corporation, this policy will be reviewed.

Other Board Committees

The Corporation has no other committees aside from the Audit Committee.

The Audit Committee provides an open avenue of communication between management, the Corporation's independent auditors and the Board and to assist the Board in its oversight of:

- (a) the integrity, adequacy and timeliness of the Corporation's financial reporting and disclosure practices;
- (b) the Corporation's compliance with legal and regulatory requirements related to financial reporting; and
- (c) the independence and performance of the Corporation's independent auditors.

The Audit Committee also performs any other activities consistent with the Audit Committee Charter, the Corporation's Articles and governing laws as the Audit Committee or Board deems necessary or appropriate. See heading "Audit Committee and Relationship with Auditors".

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and the Audit Committee.

PARTICULARS OF MATTERS TO BE ACTED UPON

Financial Statements (the “**Annual MD&A**”) will be submitted to the Meeting. Receipt at the Meeting of the auditors’ report and the Annual Financial Statements for the Corporation’s last completed fiscal period will not constitute approval or disapproval of any matters referred to therein. The Annual Financial Statements and the Annual MD&A can be obtained from the Corporation’s profile on the SEDAR website at www.sedar.com. Upon receiving a written request to the address on the first page of this Circular, the Corporation will mail a copy of the Annual Financial Statements and Annual MD&A to you.

ELECTION OF THE BOARD OF DIRECTORS

The Board of Directors of the Corporation currently consists of five (5) Directors. The Directors have passed a resolution fixing the number of Directors to be elected at five (5). The persons named in the enclosed form of proxy intend to vote for the election as Directors of each of the five (5) nominees of management whose names are set forth in the table below. The Board of Directors has adopted a majority voting policy in order to promote enhanced Director accountability. Each Shareholder is entitled to cast their votes for, or withhold their votes from, the election of each Director. If the number of shares “withheld” for any nominee exceeds the number of shares voted “for” the nominee, then, notwithstanding that such Director was duly elected as a matter of corporate law, he shall tender his written resignation to the Corporation. The Board will consider such offer of resignation and the Director’s suitability to continue to serve as a Board member after considering, among other things, the stated reasons, if any, why certain shareholders “withheld” votes for the Director, the qualifications of the Director and whether the Director’s resignation from the Board would be in the best interests of the Corporation.

These nominees have consented to being named in this Circular and to serve if elected. The Corporation’s management does not contemplate that any of the nominees will be unable or unwilling to serve as a Director, but if that should occur for any reason prior to the Meeting, the Common Shares represented by properly submitted proxies given in favour of such nominee(s) may be voted by the persons whose names are printed in the form of proxy, in their discretion, in favour of another nominee.

The following table and notes thereto state the names of all the persons proposed to be nominated for election as Directors, all of the positions and offices with the Corporation now held by them, their present principal occupations or employments for the last five (5) years and the number of shares of the Corporation beneficially owned, directly or indirectly, or over which control or direction is exercised, by each of them as of October 24, 2017. The information as to shares beneficially owned has been furnished to the Board of Directors by the respective nominees.

Conflict of Interest

To the best of the Corporation's knowledge and other than as disclosed herein, there are no existing or potential conflicts of interest among the Corporation, its promoters, Directors, officers or other members of management of the Corporation except that certain of the Directors, officers, promoters and other members of management serve as Directors, officers, promoters and members of management of other public companies and therefore it is possible

The Directors and officers of the Corporation are aware of the existence of laws governing accountability of Directors and officers for corporate opportunity and requiring disclosure by Directors of conflicts of interest and the Corporation will rely upon such laws in respect of any Directors' and officers' conflicts of interest or in respect of any breaches of duty by any of its Directors and officers.

The shareholders are urged by Management to appoint Davidson & Company LLP, as the Corporation's auditors, and to authorize the Board of Directors to fix their remuneration.

RATIFICATION OF THE STOCK OPTION PLAN

The Corporation received shareholder approval on December 14, 2015 to adopt the 2015 Stock Option Plan (the "**Plan**") which plan is a "rolling" stock option plan whereby a maximum of 10% of the issued shares of the Corporation, from time to time, may be reserved for issuance pursuant to the exercise of options.

The TSX-V requires listed companies that have "rolling" stock option plans in place receive shareholder approval of such plans on a yearly basis at the Corporation's Annual General Meeting. Accordingly, Shareholders will be asked at the Meeting to ratify the Plan.

The purpose of the Plan is to provide certain directors, officers and key employees of, and certain other persons who provide services to the Corporation and any subsidiaries with an opportunity to purchase Common Shares of the Corporation and benefit from any appreciation in the value of the Corporation's Common Shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Corporation, thus enhancing the value of the Common Shares for the benefit of all the Shareholders and increasing the ability of the Corporation and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Corporation.

The Plan provides for a floating maximum limit of 10% of the outstanding Common Shares, as permitted by the policies of the TSX-V. As at October 24, 2017, this represents 7,115,784 Common Shares available under the Plan, of which 7,033,334 are issued and 82,450 are reserved and available for issuance under the Plan.

Under the Plan, the option price must not be less than the exercise price permitted by the TSX-V. The current policies of the TSX-V state that the option price must not be less than the closing prices of the Common Shares listed on the TSX-V on the day immediately preceding the date of grant, less the applicable discount permitted by the policies of the TSX-V. An option must be exercised within a period of ten years from the date of granting. Within this ten year period, the Board may determine the limitation period during which an option may be exercised. Any amendment to the Plan requires the approval of the TSX-V and may require shareholder approval.

The material terms of the Plan are as follows:

1. The term of any options granted under the Plan will be fixed by the Board at the time such options are granted, provided that options will not be permitted to exceed a term of ten years.
2. The exercise price of any options granted under the Plan will be determined by the Board, in its sole discretion, but shall not be less than the closing price of the Corporation's Common Shares the day on which the directors grant such options, less any discount permitted by the TSX-V.
3. No vesting requirements will apply to options granted under the Plan other than as required by TSX-V policies.
4. All options will be non-assignable and non-transferable.
5. No more than (i) 5% of the issued Common Shares may be granted to any one individual in any 12-month period; and (ii) 2% of the issued Common Shares may be granted to a consultant, or an employee performing investor relations activities, in any 12-month period.
6. Shareholders will be asked to consider and, if thought advisable, to authorize and approve the Name Change Resolution. Pursuant to the provisions of the OBCA, in order to be effective, the Name Change Resolution must be approved by 66 $\frac{2}{3}$ % of the votes cast in respect thereof by Shareholders present in person or by proxy at the Meeting.
